Allergies & Nutrition

Please inform us of any specific dietary requirements before ordering. If you have an allergy, intolerance or want to learn more about our nutritional values, please scan the QR code on the back of this menu or ask a team member.

Adults need around 2000 Kcals a day. Please inform us of any specific dietary requirements, including allergies and intolerances, before ordering. Our menu descriptors do not include all ingredients or allergens. V * Vegetarian option available upon request VG * Vegan option available upon request - these dishes are made with vegetarian and vegan ingredients, however there is a risk of cross contamination with products of animal origin, please refer to the allergy menu for further information.

GF * Gluten free option available upon request. Our processes for making gluten free dishes have been accredited by Coeliac UK. Our suppliers and kitchens handle numerous food and drinks containing allergens. Whilst we have strict controls in our kitchens, please be aware that all our food is prepared and cooked in the same kitchen. However, processes are in place to ensure that meals on this menu are gluten free. Gluten free describes foods that contain gluten at a level of no more than 20 parts per million (ppm). Our meat and fish dishes may contain small bones. Olives may contain stones.
